

DESCRIPTION

PRODUCT NAME:	EASYROLL RETRACTABLE HOSEREEL 50M & ATOMISER SPRAYGUN
PART NUMBER:	180NL
BARCODE:	9327602367906
CATEGORY:	9

PRODUCT

STAINLESS STEEL FRAME

HOSE REEL FREELY UNWINDING IN USE AND RETRACTED BY POWERFUL 12V ELECTRIC MOTOR

FITTED WITH 50M OF ½" O.D. HOSE AND ATOMISER SPRAY GUN ON A SNAP LOCK CONNECTOR.

BENEFITS

For long lasting corrosion resistance and scratch resistant.

Virtually maintenance free with no belts, chains or sprockets to grease or re-tension.

Ideal for roadside spraying, through undulating scrub, nurseries, or glasshouses & more.

SPECIFICATIONS

Designed and built in Australia, The Silvan EASYROLL retractable hose reel is a simple, effective solution for operators to spray noxious weeds along fence lines, roadside, undulating scrub, Blackberries, nurseries, or glasshouses and more. Ultimately minimizing fatigue.

The EASYROLL hose reel has been designed to retro fit onto many sprayers with a flat surface that can hold the weight of the reel. (20Kg)

Construction

- Lightweight and Compact
- Heavy duty thick gauge stainless steel construction.
- Stainless steel finish is superior to paint for ultimate resistance corrosion and scratches.
- Electric drive system assembly eliminates the use of chains, belts, and sprockets for more reliable and safer working conditions. This means that there are no belts or chains that need to be regularly checked and tensioned or replaced.
- Central Hub motor mechanism is free of pinch points and is effectively maintenance free.
- A four-roller hose guide for smooth free running hose.

Motor

- 12V DC **Brushless** High Torque electric motor
- Max 25amp Draw

Version 1.0

27.02.24

Remote Control

- Single channel control 433mhz with adaptive frequency hopping prevents interference for reliable performance across undulating terrain.

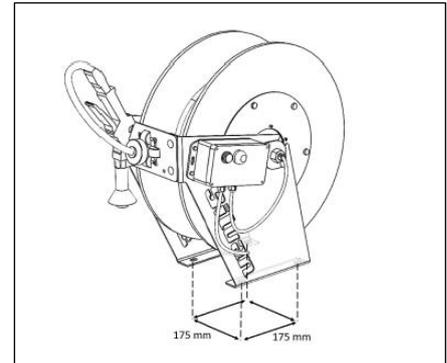

Reel Mounted Controls

- On/Off power switch and manual override rewind switch.

SPECIFICATIONS**Hose reel- General specifications.**

- Push Pull connections on outlet and hub.
- Hose: 50m of 12mm O.D Kink resistant nylon tubing with push fit fitting.
- 20Bar/290psi working pressure.
- Spray Gun: Atomiser with hose swivel and gun holder.
- Performance: Spray up to 15m distance

**Mounting the Easyroll Hose reel**

- Select a flat surface that can hold the weight of the hose reel.
- Position the hose reel on the surface, mark the hole locations (175mm x 175mm)
- Using a drill to create holes at the marked locations
- Tighten the hose reel with M 10 Bolts, nuts & washers

Pump Pairing

- Ideal pump to use is the Silvan Comet LBA-34C.
- Comet MC20/20 18.5L/min open flow capacity & 20Bar/290psi maximum pressure.
- Silvan self-priming positive displacement oil-backed diaphragm Pump with nitrile diaphragms and corrosion resistant, cast anodised aluminium body.

1 for an

Control Valve

- Pressure regulator with pressure adjustment and automatic bypass, gauge and 2 outlets, 1 for the EASYROLL hose reel & optional Spray boom.

Dimensions

L 52.7cm x W 27.7cm x H 54.7cm x WT 20kg

Warranty

12 months
