

## PRODUCTION ASSEMBLER

Established in 1962, Silvan Australia has been a pioneer in the development and manufacture of agricultural machinery to meet the needs of Australia's primary producers. We are a family owned business and are recognised Australia wide as an industry leader in the field of agricultural machinery, spray accessories and other innovative agricultural products.

We have sites in Perth, Brisbane, Sydney, and New Zealand and our Head Office is in Keysborough, Victoria.

We are looking for enthusiastic candidates for a full-time Production Assembler at our Head Office facility. Specifically, this position entails the assembly of premium agricultural spraying implements. Previous experience in the maintenance and usage of agricultural machinery will be highly regarded.

**To be considered the following experience and skills will be positively viewed:**

- Proven mechanical aptitude with a professional work ethic.
- Exposure to agricultural environment favourable.
- Ability to use tools and assemble machinery, working to instructions and within specifications.
- Sound verbal communication and written skills.
- Reliable, self-motivated and efficient.
- Ability to work unsupervised and meet specified timelines.
- A team player who will follow verbal instructions and work towards team timelines and goals.
- Physical capability to perform the inherent requirements of the role.
- An understanding of OH & S requirements in a warehouse and production environment.
- Forklift Licence preferred
