REDLINE REDLINE

Redline Sprayers have a comprehensive range of accessories for the small to medium property owner.

Trailers are offered for the 55L and 100L Redline sprayers, allowing users to tow their sprayer behind a ride on mower, making it ideal for spot spraying applications.

The Boomless nozzle or 3 Nozzle Boom Kits can be fitted to a sprayer to offer a wider spray pattern. This allows the operator to reduce the spray time and spray the property more accurately.
